Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner noted to Mr. Lucas that the wording of claim 28 with regard to the condensation product at a) where the proposed amendment occurred. She noted the same changes were made to claim 21 without the issue of clarity. Applicant's representative approved fixing the wording at claim 28 with respect to the condensation product to be the same as the wording in claim 21. The examiner agreed to fix the problem by examiner's amendment then allow the application as this was the only problem found in the proposed amendment...
